I'm stopping as a natural person

Would you like to stop your activity as a natural person entirely?

We will take care of all the formalities for you.

- Deletion from the *Banque-Carrefour des Entreprises* (central business database)
- End of VAT liability
- Closure of your dossier with our social insurance fund
- If you employ staff, closure of your dossier with our social secretariat (payroll administrator)

Let UCM take care of all this for you!
